

Elite Kitchen Supply Freezer Solid Door Commercial 2-Door Freezer

QUICK BUYER GUIDE

Commercial kitchens needing reliable 49 cu.ft freezer with digital control and stainless steel construction

At a Glance Specs

CAPACITY

49 cubic feet with 6 adjustable shelves

TEMPERATURE RANGE

-8°F to 0°F digital control

MATERIAL

Stainless steel interior and exterior

DIMENSIONS

54"W x 32"D x 81"H with casters

WARRANTY

3-year parts, 6-year compressor coverage

POWER

115V operation with 750W consumption

Who It Is For

-  Restaurants requiring commercial food storage
-  Catering businesses needing temperature control
-  Kitchens with high-volume inventory
-  Food service providers prioritizing durability

Who It Is Not For

-  Residential households
-  Food trucks or mobile units
-  Boats or marine environments
-  Isolated locations without service access

Trade Offs to Consider

-  Larger footprint requires dedicated space
-  Higher power consumption than compact models
-  Warranty excludes certain commercial applications
-  Fixed installation may limit mobility

How It Compares

- Larger capacity vs smaller residential units
- Durable stainless steel vs plastic interiors
- Longer compressor warranty vs standard models
- Fixed installation vs portable designs

Choose This If...

- ✓ Need 49 cu.ft commercial freezer storage
- ✓ Require stainless steel corrosion resistance
- ✓ Prioritize precise temperature control
- ✓ Have permanent kitchen installation

Skip This If...

- × Limited space for large appliances
- × Seek lower power consumption
- × Need mobile or portable storage
- × Residential use only
