

# iSPECLE SR1901 Freezer Organizer Bins - 4 Pack Stackable Wire Baskets for 7 Cu.Ft Chest Freezers

## QUICK BUYER GUIDE

Homeowners with 7 Cu.Ft chest freezers needing organized storage for frozen food

## At a Glance Specs

---

### DIMENSIONS

**14.7"L x 7.1"W x 6.1"H**

### MATERIAL

**20% thicker carbon steel with rust-resistant coating**

### CAPACITY

**Holds 33lbs+ with rigid structural support**

### STACKABLE

**4-piece set with side handles for vertical storage**

### WEIGHT

**3.92 pounds per basket with durable handles**

### DESIGN

**Open frame for improved cold air circulation**

### RUST RESISTANCE

**Coated finish prevents corrosion in freezing environments**

## Who It Is For

---

-  Users needing vertical space optimization in chest freezers
-  Those storing bulk frozen food with frequent access needs
-  Homeowners with 7 Cu.Ft freezer dimensions
-  Individuals prioritizing rust-resistant storage solutions
-  Users requiring stackable organization without lids
-  People managing frozen food inventory visibility

## Who It Is Not For

---

-  Owners of compact 5 Cu.Ft or smaller freezers
-  Users needing plastic bins for lightweight storage
-  Those requiring sealed containers for freezing
-  Individuals with limited vertical freezer space
-  People prioritizing lid-based storage systems
-  Users needing non-stackable freezer organization

## Trade Offs to Consider

---

-  Metal construction vs. lightweight plastic alternatives
-  Fixed dimensions vs. customizable freezer organizers
-  Open design vs. enclosed storage containers
-  Higher upfront cost vs. long-term durability
-  Stackable system vs. single-use bins
-  Rust-resistant coating vs. bare metal options

## How It Compares

---

- Metal vs. plastic bins for long-term durability
- Stackable design vs. single-use freezer organizers
- Open frame vs. sealed containers for freezing
- Fixed dimensions vs. adjustable storage solutions
- Rust-resistant coating vs. uncoated metal alternatives
- Vertical space optimization vs. horizontal storage

### Choose This If...

---

- ✓ Need organized frozen food storage in 7 Cu.Ft freezers
- ✓ Require stackable metal bins with rust resistance
- ✓ Want open design for improved freezing efficiency
- ✓ Looking for vertical space optimization solutions

### Skip This If...

---

- ✗ Have a freezer smaller than 7 Cu.Ft
- ✗ Need sealed containers for freezing
- ✗ Prefer lightweight plastic storage options
- ✗ Require non-stackable freezer organization
