## Who It Is For

---

-  Users needing flexible fridge/freezer storage
-  Garage or basement setup requirements
-  Those requiring bulk grocery storage
-  Individuals needing meat preservation features

## Who It Is Not For

---

-  Users requiring smart temperature controls
-  Those needing compact design
-  People with limited vertical space
-  Individuals prioritizing energy efficiency

## Trade Offs to Consider

---

-  Higher weight for larger capacity
-  Limited smart connectivity options
-  Fixed temperature settings without sensors
-  Requires dedicated space for door swing

## How It Compares

---

- Competes with models offering smart features
- Larger capacity than standard freezers
- Simpler design vs. advanced refrigeration systems
- Higher cost for garage-ready construction

## Choose This If...

---

- ✓ Need flexible fridge/freezer storage
- ✓ Plan to use in garage or basement
- ✓ Require bulk grocery storage space
- ✓ Prioritize meat preservation features

## Skip This If...

---

- × Seek smart temperature controls
- × Need compact appliance design
- × Prioritize energy efficiency
- × Require advanced connectivity features
